DO YOU HAVE ANY CIRCLE K STORES FOR SALE? HOW DO I BUY A CIRCLE K?

Existing Circle K stores are rarely offered for sale. Therefore, you will be responsible for locating a site for your Circle K store. Typically, interested franchisee applicants have a location or have land to build a new Circle K store. In addition, if you have property or know of property, we can help you evaluate the site.

I DON'T HAVE LAND, WILL CIRCLE K HELP ME ACQUIRE LAND OR DO YOU HAVE ANY LAND FOR SALE?

TMC Franchise Corporation does not locate a particular location for the purpose of retailing convenience products. However, we do work closely with several land developers and would be happy to put you in contact with them.

Here are some general guidelines to assist you in locating a suitable site:

- Located on a corner
- Approximately 20,000 to 40,000 sq. ft.

We may offer you a loan for authorized expenditures to be incurred by you in connection with either your construction of a Circle K Store or your conversion of an existing convenience store. The amount of the loan will be based on the square footage of your selling space for a new to industry location and on an existing convenience store's sales for a conversion location. In addition, there are several third party lenders who can assist qualified Franchisees with financing.

The initial franchise fee for your first Franchise is \$25,000 and may be reduced for additional Franchises based on certain conditions and criteria.

WHAT ARE THE MINIMUM FINANCIAL QUALIFICATIONS FOR A POTENTIAL FRANCHISEE?

\$500,000 net worth which must include \$100,000 in liquid assets, but may vary based upon your ownership interest in the location and the type of project involved.

(Net worth = everything you own minus everything you owe)

(Liquid assets = cash, plus anything that can be quickly turned into cash, i.e. stocks, bonds, certificates of deposit, cash in bank, etc.)
