STATEMENT REBATE ON IN-STORE PURCHASES OF QUALIFYING MERCHANDISE

You will earn a 5% rebate of the purchase price on in-store purchases of qualifying merchandise when you pay using your Holiday Smart Savings Credit Card. The rebates you earn during each billing cycle will be shown as a credit on your monthly billing statement. The following are examples of non-qualifying merchandise: cigarettes, tobacco, alcohol, gift cards, lottery, money orders and licenses. Purchases of in-store services are not eligible for rebates.

**New Account

DISCOUNTS
the first 90 days!**

DOUBLE SAVINGS FOR NEW ACCOUNTS

For at least 90 days after we open your Holiday Smart Savings Credit Card Account, discounts and rebates you earn during each billing cycle will be doubled. Double discounts and rebates will end at the close of the third full billing cycle after your Account is opened. The additional 5¢ per gallon rebate on fuel purchases and the additional 5% rebate on in-store purchases of qualifying merchandise will be shown as a credit on your monthly billing statement.

Rebate Terms and Conditions are effective as of Jan. 1, 2023. Erickson Petroleum, LLC reserves the right to change the rebates that are available to Holiday Smart Savings Credit Card holders at any time without prior notice.
